I met my love by the gas works wall

Dreamed a dream by the old canal
I kissed my girl by the factory wall

Dirty old town dirty old town

Clouds are drifting across the moon

Cats are prowling on their beat
Spring's a girl from the streets at night

Dirty old town dirty old town

Instrumentaal couplet

I heard a siren from the docks

Saw a train set the night on fire
I Smelled the spring on the smokey wind

Dirty old town dirty old town

I'm gonnamake me a big sharp axe

Shining steel tempered in the fire
Will chop you down like an old dead tree

Dirty old town dirty old town
